# **CONTINENTAL MODEL BOAT REGATTA**

## **A special Model boat regatta with our French and Belgian colleagues**

A chance to meet and talk to our French and Belgian model boat friends who will join us for this very special regatta.

After being invited to France several times over the past two years, this is our chance to reciprocate their hospitality and let them sail with us in one of the most picturesque parks in England, the Model Boat Association's home water, Kearsney Abbey.

**Regatta starts at  
10 AM**

---

**Model Warships,  
Merchant ships,  
Lifeboats, and  
Submarines.**

---

**Come and see the  
models from our  
nearest  
neighbours on the  
continent, France  
and Belgium.**

---

**All the best  
examples from  
our own Model  
Boat Association
